

What lockdown support is available?

If you can't work because you or someone in your household is impacted by COVID-19, support is available.

There are two payments accessible to individuals: the [COVID-19 Disaster Payment](#); and, the [Pandemic Leave Disaster Payment](#).

How to apply for support

You can apply for the COVID-19 Disaster Payment through your [MyGov](#) account if you have created and linked a Centrelink account. Apply for the Pandemic Leave Payment by phoning Services Australia on 180 22 66.

COVID-19 Disaster Payments

The COVID-19 Disaster Payment is a weekly payment available to eligible workers who can't attend work or who have lost income because of a lockdown and don't have access to certain paid leave entitlements. If you are a couple, both people can separately claim the payment.

Sole traders may apply for COVID-19 Disaster Payment if you are unable to operate your business from home. However, you will not be eligible if you are also receiving a state business grant such as the NSW 2021 COVID-19 Business Grant.

Timing of the payment

The disaster payment is generally accessible if the hotspot triggering the lockdown lasts more

than 7 days as declared by the Chief Medical Officer (you can find the [listing here](#)).

However, the disaster payment will also be available:

- **In NSW** from 18 July 2021, to anyone who meets the eligibility criteria. The requirement to be in a Commonwealth declared hotspot has been removed and the payment will apply to anyone in NSW impacted by the lockdowns who meets the other eligibility criteria.
- **In Victoria** from 15 July 2021, to anyone who meets the eligibility criteria. The requirement to be in a Commonwealth declared hotspot has been removed and the payment will apply to anyone in Victoria impacted by the lockdowns who meets the other eligibility criteria. And, the 7 day requirement has been removed so that the payment will be made for the period from 15 July 2021 (paid in arrears from 23 July 2021).
